EXECUTIVE SUMMARY

The Office of Management and Budget (OMB) designated the Census Bureau as the National Clearinghouse (or Federal Audit Clearinghouse - FAC) for the receipt of Single Audit Reports from state and local governments (later to include nonprofit organizations). In this capacity, the Census Bureau serves as the central collection point and repository for audit reports prepared and submitted under provisions of the Single Audit Act of 1984 (amended in 1996) and OMB Circular A-133. States, local governments, and nonprofit organizations that annually expend $500,000 or more in federal awards must perform a Single Audit and complete Form SF-SAC for every fiscal year they meet the reporting dollar threshold. Collectively, these submissions permit Federal agency Inspectors General and grant administrators to monitor the use of over $1.1 trillion annually. All data are available to the public through a data dissemination/query system at the Federal Audit Clearinghouse website.

This user manual details the first component of the FAC system, which is the Data Collection module. The central collection point for single audit reports is the Federal Audit Clearinghouse – Internet Data Entry System (IDES) website. This manual intends to provide general data entry and navigational guidance to users accessing the website.

1.0 INTRODUCTION

This user manual contains essential information that will enable the user to make full use of the Internet Data Entry System (IDES). It includes an overview of the data collection system as well as detailed instructions on how to properly enter data and navigate the website.

To review the legal requirements and criteria for submitting Form SF-SAC, read the Office of Management and Budget Circular A-133\(^1\), which is available on the Federal Audit Clearinghouse (FAC) website\(^2\). Instructions for filling out Form SF-SAC are also available on the FAC website; additionally, they are within Section 4 of this manual.

After reading this document, if you still have questions regarding data entry, site navigation, submission procedures, etc., please contact the FAC by emailing govs.fac@census.gov or by calling 1-800-253-0696.

2.0 IMPORTANT NOTES

2.1 System Enhancements

The following improvements have enhanced and modernized the FAC data collection process:

- **New Account-based System and User Authentication**: Prior to November 2013, the data collection component of FAC was based on a Report ID and shared Password. The FAC has eliminated the need for users to share such credentials. With the new system, users gain access with their unique e-mail and password combination, also known as their “sign-in credentials”.

  Using your sign-in credentials, you can view all of the report IDs that you are currently working on, as well as all of the reports that you have worked on in the past. You will establish these credentials when creating an account.

2.2 New Report for Each Submission

A new report is required for each submission. Each report corresponds to one single audit submission for one fiscal period. At this time, FAC does not support submissions that span multiple fiscal periods. For each fiscal period in which a submission is required, you must enter a single audit submission and complete a new Form SF-SAC.

2.3 Submission Process at a Glance

Here is a quick overview of the IDES process from start to finish:

- Create an account and sign in (Section 3.1)

  If you are new to submitting audits to the FAC, or have done so in the past using the previous system, you must first create a new account to get started.

  Features of the new account based system:

\(^1\) [http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf](http://www.whitehouse.gov/sites/default/files/omb/assets/a133/a133_revised_2007.pdf)

\(^2\) [https://harvester.census.gov/facweb](https://harvester.census.gov/facweb)
• E-mail based account system
• Unique and Individual Passwords
• Lost passwords reset by clicking the **Reset Password** link

• Complete Form SF-SAC online by selecting **Start**

The auditee is responsible for the accurate and timely submission of this form. An auditor hired by the auditee is responsible for the accuracy of the information included in Part III of the form (Section 3.5.2).

• Make Updates to the Form, as necessary (Section 3.4)
  
  o Check the form for errors - The new IDES system provides a validation program that automatically checks Form SF-SAC for errors or inconsistencies. If there are errors, the system will specify the page on which the error(s) occurred and the corrective action needed. You can then access that particular page to make the appropriate updates (Section 3.12).
  
  o Continue to check data, correct errors and run the check for errors until the system indicates the data collection form has passed all of the edits (Section 3.12).

• Finalize the information on Form SF-SAC

  After finalizing the form, you can make changes by unlocking it; however, unlocking the form will invalidate any auditee certification or auditor signatures completed to that point (Section 11.0).

• Upload the A-133 Audit (Section 4.0)
• Certify the Reporting Package (Section 5.0)
• Final Submission of the Reporting Package (Section 6.0)

### 2.4 Form Navigation

You may exit the online form and re-enter it at any time if more than one session is required for completion. You must make sure to save each page as you finish them. In order to re-visit the online form, you must log in at the main login page using your e-mail address and unique password.

• To navigate among pages use the buttons or tabs on each page. DO NOT use the **Back** button on the browser. Using the **Back** button on the browser will cause a “Website has expired” error to occur.

• All fields, unless otherwise noted, require a response.

### 3.0 ACCESSING THE SYSTEM

#### 3.1 Create a New Account (All new users to the system **MUST** create a new account)

The following procedure applies to first time users (i.e., your e-mail address is not registered in the database). The system will prompt a new user to create an account when he/she first attempts to sign in. If you already have already created an account, please skip this procedure.
1. Click the **Create an Account** button, which is located in the First-Time Users box.
Federal Audit Clearinghouse  2013-2014IDES

2. On the Account Registration page, enter your first and last name the way you want it to appear on the reports and e-mail messages generated by FAC.

3. In the E-mail Address box, enter your primary e-mail address. The system uses this address not only to provide access, but also to send automatic e-mail messages regarding the progress of your submission.

4. In the Confirm E-mail Address box, enter the same e-mail address used in Step 3 and then click the Register button. To enforce user authentication and security, the E-mail Address and Confirm E-mail Address fields must be the same.

5. A message is auto-generated and sent to the e-mail address entered. You must use the link provided in the e-mail message to complete registration.

6. If you do not receive this e-mail within 5 minutes follow the steps below:
   - Check your junk or spam folders
   - Contact your IT department to check your security settings
   - Go to the IDES log in page and follow the steps to Reset User Password
   - Send the Federal Audit Clearinghouse a test e-mail at GOVS.FAC.IDES@CENSUS.GOV
   - Contact the Federal Audit Clearinghouse at 1-800-253-0696
7. Click on the **Registration** link within the e-mail message; it will take you to the Change My Password page.

![Change My Password](image)

8. In the New Password box, create a new password. To comply with security requirements, your password must:
   - Have at least 12 non-blank characters
   - Include characters from each of the following four categories:
     - English upper-case letters (A-Z)
     - English lower-case letters (a-z)
     - Numerals (0-9)
     - Special characters (!, @, #, $, %, *)

9. In the Confirm New Password box, enter the same text string used in Step 6 and then click the **Save Password** button. To enforce user authentication and security requirements, the New Password and Confirm New Password fields must be the same. After entering a valid password, the system will prompt you to access the Account Home page, where you can start a new single audit submission.
10. From the Account Home page, click the **Start** button to begin a new single audit submission. After selecting Start, the system displays the Submission Criteria Check page. The auditee must meet the submission criteria before advancing. After meeting all of the submission criteria, click the **Continue** button.
11. After selecting **Continue**, the system displays the Auditee Information page. Enter the Auditee Name, Auditee Employer Identification Number (EIN), Confirm the Auditee EIN and the fiscal year end date for the submission. All four fields are required. This information will auto-populate to Page 1 (General Information) of Form SF-SAC.

Note: If you enter an EIN that is already in use by a previous report for the same fiscal year, a Duplicate Report screen will appear. Please read the instructions and click the appropriate link to take the next step.
12. After completing the Auditee Information page and selecting **Continue**, the system displays the Submission Access page. You should enter anyone who needs access to the submission. Anyone entered on this page receives e-mail communications only; they are not listed on the actual submission. The Auditee Certifying Official and the Auditor Certifying Official’s e-mail addresses are REQUIRED. Entering additional e-mail addresses is encouraged but not required. Click the **Continue** button to advance to the Report Home page, once the required fields are complete.

1. Log into the IDES site using your current e-mail address and unique password.

2. From the Account Home page, click the **Start** button to begin a new single audit submission. After selecting Start, the system displays the Submission Criteria Check page. The auditee must meet the submission criteria before advancing. Once the submission criteria are met, click the **Continue** button.

3. After selecting **Continue**, the system displays the Auditee Information page. Enter the Auditee Name, Auditee EIN, Confirm the Auditee EIN and the fiscal year end date for the submission. All four fields are required. This information will auto-populate to Page 1 (General Information) of Form SF-SAC.
4. After completing the Auditee Information page and selecting **Continue**, the system displays the Submission Access page. You should enter anyone who needs access to the submission. Click the **Continue** button to advance to the Report Home page, once the required fields are complete.

Apply the following guidance to ensure proper completion of Form SF-SAC:

- For audit-related questions, please contact either the Federal awarding agency or the auditee’s Federal cognizant or oversight agency.
- Every form field or item must have a response unless otherwise indicated as an allowable skipped item.
- Use your keyboard’s Tab key, mouse, and buttons to navigate from question to question and page to page.
- Perform a validation check on your data. See Section 3.12 for instructions on how to check the data and correct any errors.
- The Auditor’s EIN is now required.
- All data MUST BE SAVED before proceeding to the next page.

The last day of the fiscal period covered by the audit is auto-populated with the date you entered on the Auditee Information screen (see Section 3.2, Step 3).

Item 2 – Type of A-133 Audit Report:

Select the type of audit report. Beginning with fiscal periods ending in 2004, §__.200 of the Circular requires non-Federal entities that expend $500,000 or more in a year in Federal awards to have a single audit conducted in accordance with §__.500, except when they elect to have a program-specific audit conducted in accordance with §__.235.

Item 3 – Audit Period Covered:

Select which period applies. Annual audits cover 12 months and biennial audits cover 24 months. If the audit period covered is neither annual nor biennial, select Other and provide the number of months covered (excluding 12 and 24) in the space provided.

Item 4 – Auditee Identification Numbers:

(a) Auditee Employer Identification Number (EIN)

The auditee’s EIN, the nine-digit taxpayer identification number assigned by the Internal Revenue Service (IRS), is auto-populated with the number that was entered on the Auditee Information screen (see Section 3.2, Step 3).
(b) Are multiple EINs covered in this report?

Select **Yes** or **No** to indicate if the IRS assigned more than one EIN, which the auditee (or components of an auditee) cover in this audit. (e.g., a statewide audit covers many departments, each of which may have its own EIN).

List the multiple EINs covered in this report under the Additional EINs tab.

Multiple EINs can be added to the Additional EINs tab at any time before the form is finalized. Make sure to save your data before navigating to a new page.

(d) Auditee Data Universal Numbering System (DUNS) Number

The DUNS number is a unique nine-digit identification sequence assigned by Dun & Bradstreet (D&B). Although requested, a DUNS number is not required for the Form SF-SAC submission. To receive a DUNS number, visit the D&B D-U-N-S Request Service website[^5].

(e) Are multiple DUNS covered in this report?

Select **Yes** or **No** to indicate if the entity (e.g., state agency, sub-entity) expending the Federal award is covered in this audit report and if it is assigned more than one DUNS Number.

List the multiple DUNS covered in this report under the Additional DUNS tab.

Multiple DUNS can be added to the Additional DUNS tab at any time before the form is finalized. Make sure to save your data before navigating to a new page.
Item 5 – Auditee Information:

Enter the auditee contact information, according to the OMB Circular A – 133, Subpart C -- Auditees §320 (b) Data Collection. Both a senior level representative of the auditee and the auditor must certify the form.

(AICPA Audit Guide, Chapter 12)**

According to the American Institute of CPAs (AICPA) Audit Guide “Government Auditing Standards and Circular A-133 Audits”, if the audit of Federal awards did not encompass the entirety of the auditee’s operations expending Federal awards, identify the operations that are not included in a separate paragraph following the first paragraph of the report on major programs.

Note: Some Federal agencies use the same Catalog of Federal Domestic Assistance (CFDA) prefixes. Use the CFDA prefix used on the Federal award application. If the auditor found audit finding(s) for a direct award, identify the specific Federal agency to which the FAC is required to distribute audit copies.

The Federal cognizant agency for audit list is located on the FAC website’s reference page.

3.6 Federal Awards Tab

The auditor completes this portion of the form. There are two ways to enter Federal Awards: 1) manual entry - entering one award one at a time, or 2) upload a spreadsheet - adding multiple awards at a time.
